*** BUILD GOAL: Every grill should have "1 to show, 2 to go"**

(display built and at least 2 preassembled for customers to buy)

- * Cut the UPC barcode from the box and place with the instructions inside the grill
- * Only report today's builds in the survey. Make sure to report all grills built today
- * No trash left behind
- * Time spent building Furniture and Grills must be reported on the separate shifts

***For every grill sold in the store,
complete each box in these three
columns***
